# IAN'S INSIGHT

**WOODS CHAIRMAN, IAN BARRY, WELCOMES YOU  
ALL TO THE SKYLINE ROOFING STADIUM.**

**Good afternoon and welcome to the Skyline Roofing Stadium and our C & G Scaffolding Ltd sponsored Clubhouse for today's Isuzu FA Trophy match. We welcome our visitors from Beckenham Town FC and trust they enjoy their time here.**

Football once again throws up the unexpected and none more so than a couple of weeks ago when we took on Hanworth Villa in this very competition and came out 3-1 winners with a very good performance and against a side who have been a bit of a nemesis in my time here. Yet, just forty-eight hours later we played against local rivals Rayners Lane in a league match and the complete opposite! Enough said on that.

With a couple of friendly matches being played during the week before today's cup-tie, it has hopefully given the Management team plenty of opportunity to get some more fitness into the squad as well as looking at a few incomings, which I feel we need. Hopefully some of our injured players will come back into the fold soon, which will also bolster the squad.

Away from the pitch, our new LED floodlights should be completed, if not by today, then shortly afterwards. Our new perimeter fence sits proudly in the ground and the ball stop netting at the cemetery end is being started on as I write these notes on Monday. Sad to report that clearly some reprobates have already been in our ground via the cemetery. It never stops. Once the old floodlights have been removed, we can look at having a more permanent solution to our merchandise stall, as the bad weather will soon be upon us no doubt.

We constantly make, and want to make, improvements here and those you see before you are certainly something to be proud of, but we rarely sit still and I'll write more about other plans in this column as the games go on, but it's exciting times here. Apart from some Tik-Tok clown making his way into our ground, all the feedback we have had so far has been excellent. We don't always get everything right and there is normally a good reason for that, but as more people have got involved here, they have seen how tough running a club like ours can be.

Today, we look to make progress in this competition again and look forward seeing you all here.

Please come and have a chat in the clubhouse after the game if you can.

Enjoy the game.

# WOODS OUTLOOK

**CLUB SECRETARY, ALAN EVANS, BRINGS US ALL THE LATEST NEWS FROM AROUND THE CLUB.**

## WELCOME TO THE BECKS

A warm welcome to the Skyline Roofing Stadium for another Isuzu FA Trophy fixture where we play hosts to Isthmian League Division One South East side Beckenham Town for the first-ever time. The closest we have ever been to being opponents in the past was back in the 1980s as Beckenham were members of the London Spartan League until transferring to the Kent League in 1982. The Woods were then playing in the Hellenic League, transferring over to the London Spartan League in 1984 so missing out being adversaries by two years.

The Woods first entered the FA Trophy competition in the year 2000, following our promotion from the then Division Two of the Isthmian League and into Division One. We actually won our first two matches in the competition – away at Dartford and at home to Purfleet – before losing at Canvey Island. It's not been a cup competition where we have thrived for sure, 2009-10 being the only season where we have managed to get through three rounds. Two weeks ago, our 3-1 win over Hanworth Villa was the first time we had progressed through the initial round, other than winning a couple of penalty shoot-outs (we have won two/lost two), since a shock 6-3 victory away at Dorking Wanderers back in 2016-17. But win we did and now we look to progress a bit further!

The Becks, like most clubs at Step 4, received a "bye" in the Preliminary Round so start their Trophy campaign today. It's their fourth season playing in the tournament following their own Step 5 promotion back in 2022 and they are currently still looking for their first-ever victory in the competition having lost opening round games against Heybridge Swifts (on penalties), Three Bridges and Raynes Park Vale over the previous three years.

Having finished in sixth place in the table last season, just missing out on the play-offs, manager Del Oldfield chose to retire and the Becks have given a first managerial role to Danny Waldren, a vastly-experienced midfielder player and a former player at Beckenham Town. With a very experienced side, our opponents have made a disappointing start to

their League campaign and were going into a tough home match against Sittingbourne on Tuesday night without a win from their first four matches and sitting fourth from bottom, the same position as ourselves in our own division. Having squeezed out a 1-0 win away at Hassocks in the preliminary round of the FA Cup, it was our own FA Cup conquerors Egham Town who ended their interest in the competition last Saturday when the Sarnies came from behind to win 3-2 at Eden Park Avenue, a great win for the Isthmian South-Central newcomers. Our visitors will certainly be looking to bounce back from that today.

Today's cup-tie does need to be played to a result today and there is no extra-time so if the scores are level after 90 minutes, a penalty shoot-out will decide the winners. The draw for the next round would be on Monday at 1pm.

We are ever-grateful to our sponsors and this week our Match Sponsor is Shamira Hamirani. In addition to this, Graham Mann has kindly sponsored the Match-Ball for our Trophy match so our thanks to both of them. As last year, we'd love to fill in all the spaces for Match Ball sponsors throughout the year so if you can help, please take a look at the grid elsewhere in today's programme and let me know.

## LEAGUE NEWS

The Woods are still searching for our first League win of the season after a disastrous 2-4 home defeat against Rayners Lane back on Bank Holiday Monday. Our opponents arrived bottom of the table without a point and when we went 1-0 up through Devonte Totesaut in the first couple of minutes, it provided a golden opportunity. But, after conceding a goal on the break soon after, we then had a mad few minutes to let in two more in three minutes and suddenly we had a mountain to climb. Jack Empson then headed his first goal for the club to reduce the arrears before half-time and give us some hope. Sadly, we were unable to make dominance count in the second-half and it was the Lane who secured their first-ever Southern League points.

We have of course only played three games so far and there's plenty of time to climb the table and we need

to start that process next weekend when we travel to play Aylesbury United who have notched one win in four matches so far. There has been a change in the fixture this week though. The Ducks do of course groundshare at The Meadow, home of Chesham United FC and their landlords were drawn at home in the second qualifying round of the FA Cup when it was made on Monday afternoon (to Kings Lynn Town). This now takes precedence of the Saturday afternoon which means our game will switch to the Sunday, 14th September instead. We are then away at in-form Hertford Town the following weekend. Hertford have won both of their league matches so far and are also still in the FA Cup following a 2-1 away win at Isthmian North side Bowers & Pitsea last Saturday. They play away at National League South side Chelmsford City next Saturday in the second qualifying round.

## CUP NEWS

The draw for the first round of the Middlesex Senior Cup has been made and the Woods were one of the ten clubs who missed out on a "bye" to round two (11 others made it). The Woods will play away to Step 5 strugglers Edware & Kingsbury in that opening round and this will be played on Tuesday 23rd September at 7.45pm. The club play at Silver Jubilee

Park which they share along with Hendon FC. The other first round matches are: Broadfields United v Harrow Borough; QPR U21s v Harefield United; North Greenford United v Ashford Town (Middx) and British Airways v Brentford B.

The Woods have also entered the Middlesex Charity Cup for this season but the draw has not been made at the time of writing.

## PLAYER NEWS

Last Saturday the Woods played another friendly fixture against our friends from Hendon FC with both clubs being free after exiting the FA Cup in previous rounds. The match ended 1-1 and the goalscorer in the first-half for the Woods was a familiar face in Dan Williams. Dan has since signed for the Woods for a third spell at the club. Dan originally joined the Woods from Uxbridge in February 2023, left for a brief spell back at Uxbridge before returning the same season to take the Golden Boot with 17 goals in 41 matches. He has since played at Harrow Borough and Bedfont Sports where his goals helped his side win promotion back to Step 4 in April. Welcome back Dan!

Injuries ruled out skipper Manny Folarin for our last game but we are hopeful that he will be fit to return for today's cup-tie. Harry McCorkell was due to hear

# WOODS OUTLOOK continued...

from the specialist as to whether he could return to playing so fingers crossed that went well and Kush Lewis-Thomas is another on the comeback trail after his hamstringing issue.

In appearance news, Carl Stewart is two games away from completing 100 League games for the Woods so that could come over the next two weeks as we are on our travels.

## SEASON TICKETS & 1926 MEMBERSHIPS

This is our eleventh year of offering a super saver Season Ticket and they have been available for purchase since early June. The cost this year is just £75.00 to cover our remaining 19 Southern League home fixtures (just £3.95 per game) so make sure you get your order in soon. You can pay today and get access to all future league matches. See the clubs' website [www.northwoodfc.com](http://www.northwoodfc.com) for the link to pay online or provide me with cash. Note that the Season Ticket also includes access to all of our remaining Under-18s Isthmian Youth League fixtures so even better value for money.

Also available, and very popular, is the Club's 1926 Membership that not only brings you a Season Ticket as above but also includes one Player Sponsorship (usually £60) and a VIP Match Day in the Boardroom for 4 people. A real bargain at only £179.00 and again there is a link from the website.

## UNDER-18S

The youngsters were successful in their first Isthmian Youth League game of the season with a 4-1 victory over Fleet Town a couple of weeks ago. Henry Atkinson, who went on to make his first-team debut a few days later, notched two goals and there was one each for debutants Caleb Wright and Rowan Daly while goalkeeper Matt Burrows saved a penalty.

Next up was a rematch with Tring Athletic in the FA Youth Cup on Wednesday night but these notes had to go to print before the result of that one was known. Always a top side, a tough match was expected so we will need to have been on top form if we were to be successful and make it through to the next round – which would be at home to Hayes & Yeading on Wednesday 17th September after they won 5-2 at Hanwell Town on Monday night this week.

The side are back in action this week with what is probably a far too early introduction into the Isthmian Youth League Cup competition and another tough fixture away at old foes Bedfont Sports. This is scheduled for Monday night, 8th September at 7.45pm. At present, remarkably there is no home game scheduled until the end of the following month – current leaders Maidenhead United on Wednesday 29th October.

We have reintroduced the Player Sponsor page for the Under-18s, you can find that elsewhere in today's programme and it's just £30.00 for the season so if you are a regular at their matches, perhaps you'd like to sponsor your favourite Woods U18 player?

## GROUNDSHARE NEWS

Our tenants, Rising Ballers, were scheduled to be playing Spartans Youth at home today in a league game but of course that has had to be postponed. They were last in action here at the Skyline Roofing Stadium on Monday night when they entertained Colliers Wood United in a Combined Counties League Cup fixture and lost 0-2. They currently sit in thirteenth place in the Division One table with nine points from their opening seven matches so will be looking for some improvement. They also went out of the FA Vase at the first stage, losing at Step 5 side Aylesbury Vale Dynamos but only on penalties after a 0-0 draw. They have two home games coming up next week, playing sixth-placed Wembley on Saturday 13th September and then Penn & Tylers Green, who are third in the table, the following Monday night.

## GROUNDWORKS

Some of the ball-stop netting was being installed (at the cemetery end) when these notes were being written so hopefully will have been completed this week. We're still waiting on some tree surgery to take place at the clubhouse end before the work can be finished.

Floodlight cabling was installed last week following the previous installation of the towers and we were pencilled in for further work to be carried out on Thursday and yesterday so fingers crossed that they will be close to the finished product by this afternoon; though the lights shouldn't actually be required this week.

## MERCHANDISE

In partnership with one of our new sponsors, Flame, we are delighted to be able to offer lots of new items in our range of merchandise which have been on sale at all of our home games this season. The range includes caps, hoodies, replica shirts (limited number), bobble hats, scarves and pens at present, bucket hats were added at the last game, but more items will be added shortly. Wear your colours – the colder weather is on the way!

## VOLUNTEERING

We have a great working group of volunteers here at the club who all work very hard to keep the club functioning and the ground spick and span throughout the season. But we could always do with a bit of extra help, both on matchdays or during the week around the stadium or the clubhouse. If you have a few hours to spare and would like to get involved, then please let us know. Speak to either Chairman Ian Barry or Commercial Manager John Joyce and get onboard if you can.

## NEXT UP AT THE SKYLINE

There's no game scheduled at the stadium this week and then it's our tenants Rising Ballers who play at home twice in quick succession next week. Unless we are successful in today's FA Trophy game and progress to the next round (Saturday 20th September) in two weeks' time, our next first-team home game may not be until the following week – three weeks today!

# WOODS TURN ON THE STYLE TO MAKE PROGRESS IN THE TROPHY

**NORTHWOOD VS HANWORTH VILLA**  
**SATURDAY 23RD AUGUST 2025**  
**KICK-OFF 3.00PM**  
**ISUZU FA TROPHY**  
**PRELIMINARY ROUND**

Bouchareb 13; Kennedy 45+1;  
Kearney 75

Randall 64

The Woods notched their first win of the new season with this Isuzu FA Trophy success, their first win in the competition for four years while also ending a five straight defeats against their opponents over the last few seasons.

With two home games scheduled inside three days, the management team know they need to make full use of the available squad so changes were made with two teenagers coming in in the full-back positions.

Brian McGovern, star of last season's Under-18s, replaced the holidaying Mack Miskin at left-back while current Under-18s Henry Atkinson made his first-team debut in the right-back position.

There was also a first start of the season for Joint Manager Jon-Jo Bates in midfield with Carl Stewart rested, a debut for Hicham Bouchareb, after a patient

Osa Otote attacks

wait for International Clearance, and a first start for another teenager as Jamie Kennedy came in with Devonte Totesaut reverting to the bench.

The visitors had suffered a shock FA Cup defeat a week earlier, going out 3-2 to Step 5 side Soul Tower Hamlets so also chose to similarly make several changes to their own starting line-up but they started brightly enough and got the first effort on goal after 11 minutes when Marco Haigh forced Hafed Al-Droubi to push a shot wide. While the resulting corner was half-cleared, it was recycled and from a deep cross, George Wells headed back across goal and against the crossbar.

#### 13 MINUTES: 1-0 HICHAM BOUCHAREB

But just two minutes later, the Woods grabbed the lead with a great goal on the counter-attack.

It was the two players making their debuts that combined with Atkinson supplying the perfect ball from midfield which allowed Bouchareb to run behind his marker and then finished clinically with a precise left-foot strike.

The Villains should probably have levelled on twenty minutes when a stray ball across midfield was seized upon by Guy Ansah-Palmer who rushed forward, exchanged passes with Sam Merson and his centre picked out Sam Mead but the striker miskicked in front of goal. It was sustained period of pressure from the visitors at this stage. A corner was headed out by Jack Empson and Abdullah Javaid attempted a first-time

Reece Price-Placid on the run

Heading for the top corner - Dylan Kearney scores the third

volley which flew well over. Then another deep cross to the far post picked out Merson but his header lacked the direction to beat Al-Droubi who gratefully caught his effort.

#### 45 + 1 MINUTES: 2-0 JAMIE KENNEDY

After this, the Woods began to enjoy more possession but without threatening in the final third until half-time was approaching. Then, Atkinson started another attack, finding Dylan Kearney centrally. He arrowed a great ball wide for Bouchareb to race down the left and his excellent cross was expertly flicked past goalkeeper Mark Smith by Kennedy for his first goal in Northwood colours.

#### HALF-TIME: NORTHWOOD 2-0 HANWORTH VILLA

Two goals in front when the second-half got underway, the Woods continued to defend solidly with Empson particularly strong in the air and Villa, who had been forced into one change at the break, made a further double-substitution ten minutes later. It had almost instant results as a corner was headed goalwards by the ever-dangerous Wells but Al-Droubi managed to push it away and Guy Hollis could only stab the loose ball wide of the post.

#### 64 MINUTES: 2-1 DYLAN RANDALL

Another change followed for the visitors as Merson was replaced by Dylan Randall and this one did make an immediate difference as Javaid got down the left and sent over a fierce cross-shot that Al-Droubi could only

parry and it was Randall who pounced to net from close-range on sixty-four minutes.

#### 75 MINUTES: 3-1 DYLAN KEARNEY

With hopes raised for Hanworth, they went in search of an equaliser but Northwood were still dogged in defence and ten minutes later they grabbed an all-important third goal. Ademide Baruwa won the ball in midfield and found Kennedy who provided another defence-splitting pass which allowed Kearney to burst through the centre and he raced into the box before crashing a shot into the top corner to give Smith no chance.

That was pretty much contest over as a series of substitutions saw the Woods introduce fresh legs which kept the Villa at bay and there were no scares despite the additional seven minutes at the end. Northwood had one late chance with a free-kick just outside the box which Jack Smith, on as a late sub, took responsibility for but it curled just wide of the post.

# 3 OF A KIND

**MEMORABLE PAST FA TROPHY 1ST QUALIFYING ROUND TIES  
BY KEN GREEN**

## **SATURDAY 20TH OCTOBER 2007 SITTINGBOURNE 0 NORTHWOOD 2**

Northwood got off to the very best of starts and it was their defenders who played the starring role. Just into the third minute, Dean Clark curled in a free-kick which Brad Hewitt flicked on and Jazz Rose stole in round the back to plant the perfect header back across goalkeeper Jamie Riley and into the top corner.

The rest of the half belonged to Northwood as the home side were unable to gain any control. Danny Hart was getting involved with forays down the flank and had already had one attempt at goal before he knocked in a great cross to Abdul Yoki who saw his shot tipped over the bar by Riley. From the resulting corner, the ball was cleared out to Yoki again and his effort looked goal-bound before a good block from a defender.

After 36 minutes, Tackley chipped an accurate ball into the box and found Clark, who controlled it well before chipping a shot over the keeper but also just over the crossbar. The second goal came two minutes before the break, after Woods won a free-kick on the edge of the box. That effort was deflected for a corner, from which Ryan Tackley found Hewitt at the far post and the centre-back nodded the ball home.

Sittingbourne came out for the second-half on and caused a few problems for the Woods defence for ten minutes or so, but the visitors weathered that storm, and held on fairly comfortably for the win.

## **SATURDAY 17TH OCTOBER 2009 NORTHWOOD 1 ABINGDON UNITED 0**

Northwood achieved a solitary goal win over Zamaresso South & West outfit Abingdon United. Woods were immediately on the attack as Kyle Matthews found himself with only goalkeeper Jon Beames to beat, but the Abingdon stopper stood up well and deflected the shot around the post.

The home side maintained the early pressure and Chris Seeby combined with Scott Orphanou who turned well to create an opening for Michael Peacock, but he stabbed his shot wide of the goal. However, Woods were rewarded for their bright start by scoring the crucial goal on 11 minutes following a sweeping move. Danny Power began the move which involved Matthews and Gary Burrell, before Orphanou fed John Christian, who blasted the ball home.

Christian went close to adding to his tally as he burst into the box once more after Power and Burrell combined well, but the shot was blocked. Chances were

now being created at both ends of the pitch, Swain saving well from John Mills and Faulkner whilst Christian had a shot saved by Beames before his follow-up shot was cleared off the line.

The Woods were anxious to find the second goal and they went close as Gary Burrell's outstretched leg was inches away from connecting with Figueiredo's low cross, whilst Brad Hewitt headed narrowly over from Burrell's corner.

There were further opportunities for both sides before the end, Figueiredo shooting wide and Burrell having two attempts on goal following a goalmouth melee, whilst Mills squandered another chance for Abingdon as Woods deservedly moved into the next round.

**Northwood:** Mitch Swain, Mark Burgess (Anthony Page), Gary Burrell, Chris Seeby, Michael Peacock, Brad Hewitt, Scott Orphanou, John Christian, Kyle Matthews, John Sonuga (Hugo Figueiredo), Danny Power.

## SATURDAY 17TH OCTOBER 2020 NORTHWOOD 3 HEYBRIDGE SWIFTS 3

(HEYBRIDGE WON 5-4 ON PENALTIES)

Northwood staged a remarkable second-half revival to claw back a three goal deficit, but eventually came up short in the penalty shootout. The Woods started well but failed to capitalise, and the tie was turned on its head when the hosts conceded three goals in 16 minutes; Osei-Owusu's header from a corner finding the net via the upright and the head of Hafed Al-Droubi before Andrew Fennell scored a brace as he punished naïve defending from Northwood.

Early in the second half Al-Droubi dealt with a couple of long range efforts, but Woods began to show they might be capable of a recovery as they launched a series of attacks; Muhemba getting the better of left-back Kyan Gulliver before sending in a

low cross which found Totesaut whose shot was deflected wide before Morgan linked up with Muhemba who presented the ball to Constantinou but he miscued from the edge of the box.

Marcelo Graca

pulled a goal back with a deflected shot which flew over Marsden to give Woods a glimmer of hope on 73 minutes, and then Excel Muhemba pulled the ball back to Totesaut on the edge of the box, and he sent an unerring shot beyond Marsden to bring Northwood right back into the tie with 11 minutes left on the clock.

It looked all over with the clock moving into the third minute of added time, but Northwood won a free kick in front of their dugout. It was sent into the box by Ryan Phillips and was met by keeper Hafed Al-Droubi, up for the last gasp set-play, and he directed his header into the bottom corner to send Woods fans delirious – and it was onto penalties!

Al Droubi showed his penalty saving prowess with a save after Woods had missed their first penalty before the shootout moved into sudden death. Both keepers produced another save apiece before the unfortunate Graca fired over for Woods giving Harry Norman the chance to win it for the Swifts and he duly obliged to cap an enthralling afternoon of cup football.

**Northwood:** Hafed Al-Droubi, Michael Panford, Jaden Sharman, Sukru Can Yildiz (Daryl Bryan-Samuels), Dave Thomas (Ryan Phillips), Ryan Esprit, Excel Muhemba, Marcelo Graca, Devonte Totesaut, Yiannis Constantinou, Baback Dehghani (Aaron Morgan).

THROUGHOUT NORTHWOOD'S HISTORY THE CLUB HAVE PLAYED NINE FIXTURES ON 6TH SEPTEMBER, MANY OF WHICH WERE PRE-SEASON FRIENDLIES; ALL PREVIOUS GAMES ARE LISTED BELOW, AND I REVIEW THREE OF THEM HERE. BY KEN GREEN

## 1980

### ABINGDON UNITED

Northwood finally opened their account in the Cold Shield Hellenic League premier division after three defeats and two draws, and they were in command from the start, and the only surprise was that it took until late in the first half before they scored.

The Woods were pushing the ball around so well, and the hosts were forced back from the start. The competent build-up from midfield, where Ian Harvey, Robin Tidd and Martin Ellis excelled, was not complemented with good finishing in the first half, and it was five minutes from the break before they took the lead. The ball was played forward by Ian Harvey, where Paul Devis won the challenge in the air for a neat knock-forward. The fast moving Ellis

nipped in behind the defence and as the keeper came out he lofted the ball into the roof of the net,

After the restart it was again all Northwood and in the 65th minute they went 2-0 up. Ellis clipped the ball over the defence to Harvey, who

took the ball to the line and crossed to Roger Livingstone, who slipped the ball home.

This was the prelude of the avalanche that had threatened to come. Paul Devis shot for goal only to see the ball rebound off a post, but Robin Tidd was on hand to tap the ball home. A feature of the second half was the length of the kicking by Woods keeper Toogood, who often reached the edge of the Abingdon box, and it was from one of these clearances that Northwood netted their fourth.

**Northwood:** John Toogood, Peter Davies, Steve Revell, Ian Harvey, Peter Carter, Norman Heslop, Robin Tidd, Martin Ellis, Paul Devis, Mark Thomas, Roger Livingstone (George Wlodyka)

## 1988

### WOODS ABINGDON TOWN

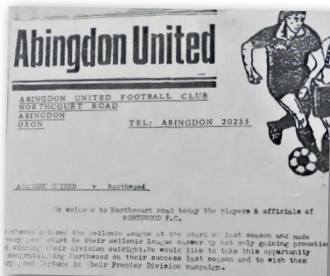

The Woods slipped to their first home Greene King Spartan League defeat of the season when an early goal by Ermsden settled the issue in favour of visiting Abingdon Town, and the goal had a degree of luck involved.

It seemed to be a mishit cross that eluded John Toogood, keeping the visitors undefeated in the league.

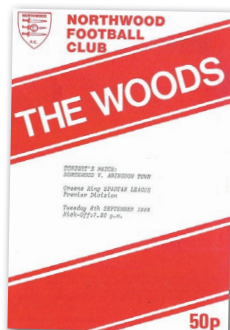

Woods gave a 100% better performance than they had done in losing 0-3 at Cheshunt the previous Saturday, and were worth a point for their commitment alone.

But a very competent Town defence allowed them few chances, and keeper Steve Lymer was in fine form, making great saves from Henry Pacquette, Garfield Blackman and Malcolm Bennett in the second period.

## WOODS MARLOW

3  
0

There was a slow start to this game with both sides failing to create much in front of goal. Marcus Mealing fired wide from distance for the visitors while Northwood did have the ball in the net when Nick Turner turned in a corner but a whistle ruled it out for a foul on goalkeeper Simon Grant.

The Woods gradually managed to control things and Rob Hastings' cross saw Dan Bailey slice an attempted clearance not far wide of his own post for a corner. From that, Michael Murray knocked the ball long, Turner headed it back across and George Nicholas perhaps should have scored but only managed to head just over the bar. Yet, Northwood didn't have to wait much longer for the opening goal as a ball from the right saw Hastings have an effort blocked but the rebound fell to Michael Murray who had plenty of time to stroke home.

Danny McNicholas had to be alert to keep out a header from Barney after the lively striker got his head to a Chris Ovenden cross and another curling effort from Mealing wasn't far wide but the Woods countered well with a second goal before the break. Joakim Ehui sent an excellent through-ball to put Nicholas in on the right and he rifled a shot across

Grant to make it 2-0.

Omar Vassell was close to heading in a Murray free-kick but was denied by some good defending, but on 80 minutes a free-kick saw Ehui pull the ball back for substitute Nana Asamoah to squeeze a shot just inside the post.

Hastings continued to look for a goal on his starting debut he and went close with a fierce drive in stoppage-time but it flew just wide, and it was Marlow who recorded the last effort on goal as substitute Corey King got in from the left and hit a near-post shot that McNicholas had to turn wide.

**Northwood:** Danny McNicholas, Alex Nolan, Andy Lomas (Mason Yorke), Nick Turner, Perry Dicker, Jordan Lawal, Joakim Ehui, George Nicholas, Rob Hastings, Michael Murray (Nana Asamoah), Omar Vassell

Looking to follow up their excellent FA Trophy victory just forty eight hours earlier, a much-changed Northwood team proved unable to match that performance and their attempt to notch their first Southern League win of the season proved unsuccessful.

Only five of the starters from the Saturday began this match against their Middlesex neighbours, who were also looking for their first win, as back in came Nasir Sharifi, Mack Miskin, Carl Stewart, Osa Otote, Rico Clarke-Rowe and Devonte Totesaut. Ruled out of the squad completely were skipper Manny Folarin, Jon-Jo Bates and Dylan Kearney, all with injury while Brian McGovern and Jordan Ellis were also left out while Reece Price-Placid and Ademide Baruwa were rested to the bench alongside Harry McKenna who was returning after picking up an injury in the opening home friendly.

The visitors have had a summer of rebuilding with a new manager and team so will be looking for gradual improvement and their squad included former Woods Ergys Pepaj, Meshach Williams and Jeremy Stewart.

## **1 MINUTE: 1-0 DEVONTE TOTESAUT**

The Woods started well though and the first minute had only just passed when Osa Otote got the better of his marker out wide on the right and his cross was brought down by Devonte Totesaut's right-foot who then swivelled and lashed home with his left.

## **14 MINUTES: 1-1 QASIM KHAN**

Northwood continued to press and Jamie Kennedy tested visiting goalkeeper Charlie Patmore with a good strike after ten minutes but the Lane were beginning to make inroads themselves and they found an early equaliser just three minutes later as a cross from the left was half-blocked by Jack Empson but only looped up to allow Qasim Khan able to steer a header over the stranded Hafed Al-Droubi.

Pepaj put a header wide for the visitors just a couple of minutes later and although Miskin went close for the Woods with a free-kick from just outside the box which flashed just over soon after, the Lane were certainly causing some problems.

A change was made on the half-hour to adjust the defence which wasn't looking solid. Chama Torsiello came into the centre as substitute with Miskin reverting to his more customary left-back role; Sharifi being withdrawn. But it didn't have the desired effect and Rayners Lane suddenly transformed the match with two goals in three minutes.

Dangerous corner

### 36 MINUTES: 1-2 FRANKIE BIRCHAM

Firstly, a corner saw several players hit the deck as the ball was headed down at the back post. Williams hooked it goalwards and with two Lane players almost on the goal-line it was headed in by Frankie Bircham. Valid claims for offside were waved away by the assistant referee.

### 40 MINUTES: 1-3 MESHACH WILLIAMS

The third proved easy as Kean Grover's ball into the box flew over the head of Torsiello and Williams stole in ahead of Atkinson to hit a clean strike across goal and inside the far post.

### 44 MINUTES: 2-3 JACK EMPSON

Just four minutes later, Northwood got a goal that they needed before the break to give them hopes of a second-half comeback. A free-kick was well-flighted by Henry Atkinson and Jack Empson rose highest with a well-directed header that gave Patmore no chance in goal. It was his first goal for the club in his forty-first appearance. Just before the break, Clarke-Rowe had a good effort pushed over by Patmore as the Woods looked to level.

### HALF-TIME: NORTHWOOD 2-3 RAYNERS LANE

Better things were needed in the second-half for the Woods and there were two further changes. Hicham Bouchareb had picked up a knock on his ankle so was replaced by Price-Placid while Baruwu replaced Kennedy.

Rayners Lane try to stop Devonte Totesaut

And the Woods could have been level just two minutes in as Totesaut and Baruwu combined to set up Otote for a shot which fell straight to Clarke-Rowe but his effort from six yards was poor and blocked by Patmore.

Then followed a succession of corners which were mostly well-delivered and threatening from both sides of the pitch but without ever looking likely to get the touch necessary to divert the ball over the line.

Price-Placid had the next real chance to level on seventy two minutes as the ball was well-worked across the pitch and into his path but it needed a first-time strike, he took a touch and his effort was blocked as the visitors continued to work hard to limit opportunities.

The introduction of McKenna as a substitute was welcome following his injury woes but Rayners Lane were able to utilise more subs in the final twenty minutes and it refreshed things for them at the right time.

### 81 MINUTES: 2-4 BRADLEY WALSH

The killer fourth goal came ten minutes from time when a ball was played wide to one of those substitutes, Bradley Walsh who showed great pace to get past and across McKenna, did the same to Torsiello and fired past Al-Droubi for an excellent solo effort.

There was no comeback from that goal and the game petered out into a second successive home defeat for the Woods to start the league season.

With a long break before the Woods next competitive game, the FA Trophy fixture against Isthmian South-East side Beckenham Town, on Saturday 6th September at the Skyline, the management team are hoping to arrange a friendly or two to keep the games flowing.

## Welcome once again to Commercial Corner!

Good luck to the team today in the FA Trophy against Beckenham FC. It's always nice to go on a cup run with the added bonus of extra prize money so fingers crossed!

This week I issued out our first monthly update to all sponsors. This includes news on their sponsorship and on & off the field activities at the club. This emailed update is important as it keeps communication going with the companies and helps to build the relationship. Our Sponsor Of The Week online feature starts again next week, highlighting one business at a time and will give you more information about them. Please support them when you can.

I normally feature one sponsor per edition so this time it's STEM Den Ltd who joined us during the summer. Owner Vanessa McSween is a teacher at St. Johns school in Northwood and started up educational summer day camps based at the school. They offer active learning programmes for children aged between 5 to 13 through Science, Technology, Engineering and Mathematics.

I recently visited STEM Den and was given a tour by Vanessa and her wonderful staff and saw first hand the activities the children were taking part in. Every corner was filled with interactive exhibits, hands on experiments and creative activities. It really was fantastic to see.

Please visit their website [www.stemden.co.uk](http://www.stemden.co.uk) for details on their next available day camps.

Our Premium Tier Sponsors and merchandise suppliers Flame Corporate Clothing Ltd now has a new website.

Please check out. [www.flamecorporateclothing.com](http://www.flamecorporateclothing.com)

On the merchandising front we are still working towards bringing in Woods polo shirts very soon. Unfortunately due to unprecedented demand we have sold out of both home and away shirts but some more are coming soon. If you would like to reserve one, please let Graham know on our stand. One new edition this week is the introduction of Northwood FC dog bowls. Yes really! We do see a few of our canine friends around the ground so they'd love nothing better than one of these. It also includes a ball and waste bag holder from sponsors Fauna Vets.

Our Instagram Matchday footage sponsors for today's game are Flame Corporate Clothing Ltd and you will

see their logo at the end of selected clips.

Our first Sponsor Of The Week will feature our Stadium Sponsors Skyline Roofing Centres Ltd.

**Until next time.  
Up the Woods!**

VISITING THE SKYLINE STADIUM

# BECKENHAM TOWN

**The original Beckenham Town were established in the late 19th century, affiliating to the Kent County Football Association in 1887. In 1923, the club joined Division One of the London League. They won Division One in 1927–28, and were promoted to the Premier Division. However, after finishing second-from-bottom in their first season in the Premier Division, they ended the 1929–30 season in last place, and were relegated back to Division One.**

The following season saw them finish second in Division One, earning promotion back to the

Premier Division. Despite finishing bottom of the Premier Division in 1931–32 they remained in the division, but after repeating the feat in 1932–33, they Division relegated back to Division One. After finishing bottom of Division One in 1934–35 the club left the league. They had also entered a team into the Kent County Amateur League a few seasons before, and continued playing in the Premier Division of the Western Section until rejoining the London League in 1951, where they were placed in the Premier Division.

They remained in the London League's Premier Division until

joining the Aetolian League in 1961. This merged with the London League in 1964 to form the Greater London League, with Beckenham placed in Section B. A fifth-place finish in the league's inaugural season saw them win a place in the Premier Division for the 1965–66 season. However, after finishing second-from-bottom of the division that season, they were relegated to Division One. The club then folded in 1969.

In 1971, the club was reformed based on the Stanhope Rovers junior team. After playing in the South-East London Amateur League, they joined Division Two of

the new London Spartan League in 1975. After being runners-up in the Senior League in 1977–78, they were promoted to the Premier Division where they played for four seasons with a highest-place of sixth. In 1982 they transferred across to Division One of the Kent League, which subsequently became the Premier Division in 1998. They finished as runners-up in 2005–06 and were third two years later.

The league was subsequently renamed the Southern Counties East League in 2013. The club won both the Kent Senior Trophy and the League Cup in 2013–14, and went on to win the Roy Vinter Shield at the start of the 2014–15 season. In 2019–20 the club were top of the league when the season was abandoned due to the COVID-19 pandemic; this could have been the club's highest finish since reforming in 1971.

At the end of the 2020–21 season they were again transferred, this time to the Premier Division South of the Combined Counties League. During their very first season, Beckenham were crowned Premier Division South champions, earning promotion to Step 4 and the Isthmian League. In that first season in the Isthmian League the club finished fourth, qualifying for the promotion play-offs but went on to lose narrowly, 1–0 to Whitehawk in the semi-finals. That excellent

## The Manager **Danny Waldren**

Danny was an experienced midfielder who enjoyed an excellent non-League career, starting out at Bromley and playing for Dulwich Hamlet, Welling United and Billericay Town amongst others.

He joined Beckenham in 2021 and then played at Cray Valley PM before the 35-year-old returned to take over as player-manager of the Becks in the summer of 2025.

first season at Step 4 also saw the club record their best ever FA Cup run, reaching the Fourth Qualifying Round with wins over Horsham YMCA, K Sports, East Grinstead Town, Dartford and Binfield before losing 7–0 at home to Dagenham & Redbridge.

The 2023–24 saw the club finish in the relegation zone of the South East Division, but they were relieved from relegation and they returned to form last season, heading the table during the first-

half of the campaign but ultimately missing out on the play-offs with a sixth-placed finish.

Manager Del Oldfield retired from his role in the summer of 2025 and the Becks have given a first managerial appointment to vastly-experienced midfielder Danny Waldren who has previously played for the club and he will be looking to build the club up for another stab at promotion.

## U18S MAKE SOLID START TO LIFE BACK IN THE ISTHMIAN YOUTH LEAGUE

**The Woods started life back with the Isthmians in good style a couple of weeks ago, paired up at home to Fleet Town in their opening fixture.**

It's always a difficult time to play matches with players still away on summer holidays and the visitors claimed that several of their squad were at a Reading Festival pre-event. Manager Jamie Barry also had to cope with top defender Aidan Tarrant pulling out with illness on the morning of the match.

It was still a strong line-up that took to the field though and the Woods started well enough with Royd Pullem and Tobi Faleye both testing the Fleet goalkeeper in the early stages. The opening goal came on the half-hour though as Henry Atkinson raced onto a good through-ball from Caleb Wright and finished well.

Just two minutes later, the visiting 'keeper spilled a corner and Caleb Wright pounced from six yards for a debut goal to double the lead. James King almost set up Atkinson for a second and then Stanley Geraghty also tested the keeper but it remained 2-0 at half-time.

Fleet came out strongly after the break and made things interesting when they pulled a goal back from a free-kick early on but it spurred the Woods on to better things. Faleye saw an effort saved while Michael Kelly, on as a substitute, flashed one shot just wide before Henry Atkinson bagged his second of the game, sweeping home a ball from substitute Rowan Daly.

It wasn't over though as debutant goalkeeper Matt Burrows, also appearing for Broadfields United first-team at present, saved a 78th minute penalty and it needed a debut goal from Rowan Daly with a powerful strike across the keeper on 85 minutes to wrap up the 4-1 victory.

**Team:** Matt Burrows, Riley Loveday, Chase Matthew, Luke Atkinson (Ledion Latifi 85m), Caleb Wright, Josh Havard, Henry Atkinson (Calum Gardner), Tobi Faleye, Royd Pullem (Rowan Daly 60m), James King (Oscar Goulding 70m), Stanley Geraghty (Michael Kelly 55m).

The side had no game the following week but were due to start the first of three tough fixtures last Wednesday night when Tring Athletic were due at the Skyline in their opening FA Youth Cup match. Having pipped Tring to the Allied Counties League title last season with a last-minute defeat of those opponents, it will have been an interesting rematch. The winners of the tie would be at home in the next round – against either Hayes & Yeading or Hanwell Town – on Wednesday, 17th September.

This coming Monday, the Woods start their Isthmian Youth Cup campaign with what is again always a hard game, away at Middlesex side Bedfont Sports. Kick-Off is at 7.45pm and any support would be much appreciated.

# THE FINAL WORD

WITH ASSISTANT MANAGER  
DENNIS QUIGLEY

**First and foremost, I have to say it feels great to be back at the Skyline Roofing Stadium after a season away. You've all given me such a warm welcome since returning and I'll always be grateful to each and every one of you so thank you. It was honestly a no-brainer for me to come in and work with Jack, JJ and the rest of the management team when they asked me to join them in the summer and I'm glad to be back on board albeit with a new-look team to the one I worked with before. The future is definitely an exciting one and I can't wait to continue to put the hard work in with everyone to reach our collective goals.**

In terms of the season so far, It's safe to say it has had its fair share of dramas and talking points and we've only played five competitive games up until now. We've seen a late comeback to snatch a point away to AFC Dunstable, questionable decisions going for us and against us in a couple of fixtures and we have also had a couple of poor results in the League in games where I've felt we had ultimately dominated. But please rest assured that the management team, players and everyone involved in training and match days are doing everything in their power to put things right at the earliest opportunity and start firing us up the league table.

Of course, in between those league fixtures was an all-important dominant display against Hanworth Villa in the previous round of the FA Trophy. It just shows that no matter what stage of the season there's always plenty of ups and downs with lots to learn from along the way.

Today is of course the first qualifying round of the FA Trophy and we welcome Beckenham Town FC to the Skyline Roofing Stadium. Beckenham Town aren't a team I'm personally very familiar with but with their current form being similar to ours, I'm sure we're in for an entertaining game. Both teams will be looking at this fixture being a turning point in their respective seasons and to earn the feeling that the magic of the cup brings whatever stage of the competition. Aside from today's result and more importantly, I'd like to wish everyone at Beckenham Town a safe journey to and from the ground and all the best for their season.

Now back to you all, the Woods fans. I've said it numerous times before and it's something that was a driving factor in my return to the club, your support is always greatly appreciated and I look forward to every

fixture we get to hear the roar of the crowd behind us pushing us on come rain or shine. Please continue that today and help us reach the next round of the FA Trophy.

Please feel free to come and have a chat in the bar after the game where we are all always happy to talk about things.

As always,

**Up The Woods!**
